MEMORANDUM.

Mr. Hume.

W.½ 9-24-7- W. 4th M.

Homestead and pre-emption entries were granted to D.L.Griffin on the 6th November, 1912.

Cancellation proceedings were instituted against the pre-emption entry for the S.W.¼ on the 14th June, 1916. The entry was cancelled on the 1st February, 1917, and a fresh entry granted for the land to Mr. J.E. Wilson. Mr. Wilson paid the sum of $33.00 in addition to the entry fee. There are no improvements on the land and the amount paid was in connection with the Seed Grain indebtedness of the former entrant.

Cancellation proceedings were instituted against the homestead entry on the 7th April, 1917. The defence filed, dated Detroit, U.S.A., 6th May, 1917, showed that the residence duties had been completed. 10 acres of breaking were completed in 1913, 10 acres in 1914, and 20 acres under crop in 1915.

On the 28th July, 1917, Mr. Griffin executed a statutory declaration setting out that he had paid for 30 acres of breaking and had 20 acres of the breaking under crop at least twice. Mr. Griffin was residing in Detroit and represented that he desired to return to the Canadian West for harvest.

A Homestead Inspector was detailed to investigate the manner in which the settlement duties had been completed.

Inspector Fleming reported as follows:

"Residence -
18th April, 1913 to 15th November, 1913.
6th June, 1914 to 6th July, 1915.

Improvements

Improvements - House- $20.00
Cultivation
1913 - 10 acres breaking
1914 - 10 " " and
10 cropped
1915 - 20 acres cropped
1917 - 10 acres breaking.
General Remarks.
"Visited above land.
There is 30 acres of breaking done in 1913 10 acres 1914 10 acres & 10 acres crop 1915 20 crop 1917 10 acres breaking Mr. Griffin is in Detroit, Mich. and has been for some time."

It would appear from the evidence received that the cancellation proceedings were instituted against the homestead entry in error as the entry was not in default, the settlement duties having been completed.

Under the circumstances I assume the cancellation proceedings should be abandoned.

The entry, however, is liable to forfeiture as the entrant has failed to make application for patent within 5 years from the date of entry.

Mr. Pope, Controller of Revenue, communicated with the Agent on the 10th instant in connection with Mr. Griffin's Seed Grain indebtedness and it would appear that unless Mr. Griffin arranges for the payment of the Seed Grain, Fodder and Relief obtainee from the Department action should be taken with a view to cancelling the entry and disposing of the improvements on the land to the ~~[illegible]~~ in obtaining entry

The evidence contained in the Inspector's report of the 18th April submitted by you on the 15th instant shows that the settlement duties in connection with the entry for the above land were completed prior to the year 1910.

Under the circumstances I am to authorize you to abandon the cancellation proceedings pending against the entry.

Kindly notify the applicant for cancellation accordingly.

I am advising the entrant that the entry is liable to forfeiture for failure to make application for patent within five years from the date thereof and I am requesting him to state what his intentions are with regard to submitting proof of the completion of the settlement duties.

Sir,

I have your [illegible] evidence on file [illegible] shows that you may have completed the settlement duties required by the terms of your homestead entry, for the north west quarter of section 9, township 14, range 7, west of the 4th meridian, but that the dwelling house erected on the homestead is of very little value. I am further to advise you that your entry is liable to forfeiture for failure to make application for patent within five years from the date thereof.

Kindly advise me within thirty days from the date of this letter whether it is your intention to move on to your homestead.

Should you desire to apply for patent you will find it [illegible] to immediately return to the west for the purpose of making formal application for patent before the Agent of Dominion Lands at Indian Head, and will furnish the name and address of a notary public before whom it would be convenient for you to appear and give evidence. Sir:-

Referring to your letter of the 25th ultimo - File 2820452-2812902 - in which the second paragraph refers to paragraph 9 page 75, Summary No. 15 of the Regulations, I beg to point out that this paragraph sets forth that after applying the amount collected for the improvements, the remaining indebtedness will be apportioned between the two quarter sections on the basis of a valuation per acre of the respective quarters, by a Homestead Inspector, while the third paragraph of your letter states that it would appear as if the only just and fair way would be to apportion the indebtedness equally between the two quarter sections.

As the method of apportioning the indebtedness referred to in the Regulations and the third paragraph appears to be different, I beg to ask if you will kindly furnish me with a definite ruling as to which method is to be followed in future and apply.

Sir:-

In reference to the pre-emption entry for the S.E. [illegible]-7 .. 4th Mer. granted you on the 7th of October last, and to the Seed Grain indebtedness registered against this land, I beg to say that I have been directed by the Department to have this indebtedness apportioned between this and the N.W. ¼ on the basis of a valuation per acre of the respective quarters, by a Homestead Inspector. The Homestead Inspector has now reported that the quarter sections are of equal value, and it will therefore be necessary for you to pay one half of the Seed Grain indebtedness.

The total amount of the indebtedness, according to our records, with interest computed up to the 14th of March, 1917, is $131.08. One half of this would be $65.54, and as you have already paid the sum of $33. on this account, the balance due from you is $32.54 and interest at 5% from the 14th of March, 1917.

(2) On the following day, that is on the morning of the 3rd Nov. 1925 — For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.
For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 4th Nov. 1925 — By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fees charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $

Payment for Improvements

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

The following indebtedness is charged against this land: $ 61.20 & interest. The amount collected for improvements is not sufficient to make up this indebtedness the applicant for entry is required to pay the full amount of indebtedness (for particulars enquire at office of Agent).

Re: Account of Donald Lawrence Griffin
W.½ 9-24-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $142.40 were advanced to Donald Lawrence Griffin on the security of the above mentioned land. Payments of $33.00 and $39.75 were received in 1917 and 1921, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 60.90	$ 114.58	$ 175.48

The N.W. & S.W. 9-24-7-W4 were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 25th of August 1921 and the 20th of September 1925, respectively, and the land is still unalienated Crown Land held in the right of the Province.

These two quarter sections are described as hilly and rough with some stones.

This half section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

S.S.B. File No. 3-873.

OTTAWA - August 22nd, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: William E. Mooney, #530013.
N.E.¼ 7-41-7-W.5th - Homestead.

The above named settler secured advances from the Board totalling $2735., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Mooney, requesting that patent to his homestead should be issued in favour of the Board. Mr. Mooney states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated 7th May, 1924, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ of 7-41-7-W.5th., be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

Re: Account of George Creighton
N.W. 2-41-5-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $93.75 was advanced to George Creighton on the security of the above mentioned land. Payments of $7.92 and $5.60 were received in 1921 and 1922, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 93.48	$ 202.62	$ 296.10

Patent was issued in the name of George Creighton for the N.W. 2-41-5-W4 on the 27th of September 1921, subject to the 1920 lien.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Provost No. 52.

The Municipality has been unable to dispose of the land by sale and it is still vacant and no longer being operated. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

C.W. Gilchrist.

S.S.B. File No. 6-706.

OTTAWA - 29th August, 1922.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.
Re: Louis Lazier, No. 827206.
Re: S.W.¼ 5-36-5-W.5th - Md.
N.E.¼ 34-35-5-W.5th - S.G.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1780, the Board taking a charge upon his unpatented homestead and soldier grant, being the S.W.¼ of 5-36-5-W.5th and the N.E.¼ 34-35-5-W.5th respectively. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Lazier requesting that patent to his homestead should be issued in favour of the Board as he has an opportunity to sell the same, and agrees that he will pay the entire proceeds received from such sale to the Board to be applied to his principal land indebtedness. Mr. Lazier states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the memorandum from the Deputy Commissioner of Dominion Lands dated the 21st ultimo, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the privisions of these Regulations, the Board hereby requests that the right title and interest of His Majesty in the S.W.¼ of 5-36-5-W. 5th be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

OTTAWA -

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: John Trisnan,
N.E.¼ 22-60-11 W.4th (Hsd.)

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in February 1922, and in due course secured advances from the Board amounting to $68.12 for removal of encumbrances. As security the Board holds a charge on the settler's homestead. There is no other land security held by the Board in this case as our charge against the settler's soldier grant the S.W.¼ 26-60-11 W.4th has been released.

In July 1922 the settler wrote to the District Office stating that he was working out in order to obtain funds to purchase stock and equipment and that he would take up residence on the land in the Spring of 1923. He, however, failed to return to the land and the Field Supervisor reported that the settler's whereabouts were unknown. Every effort has been made by the Field Supervisor and the District Office to get in touch with the settler but they were unable to trace his whereabouts. Thirty Day Notice was addressed to the settler on the 12th of March, 1925, to which no defence was filed.

The settler's indebtedness to the Board amounts to $172.35. In addition there are arrears of taxes from the date of his establishment. There has been no recent appraisal of the homestead. It was appraised in May 1925 at $812.00. It is situated in a district where most of the land is unpatented and will be difficult to dispose of. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 30 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

A. M. Carty, Esq., K. C. S.,
Deputy Minister of the Interior,
Ottawa.

Chairman.

[illegible] to the Board [illegible] [illegible] the settler has [illegible] default [illegible] [illegible] and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the [illegible] and [illegible] upon him by said section [illegible] hereby [illegible] right, title and interest of the settler in the said land, [illegible] as the right, title and interest of His Majesty to the said Mines and Minerals [illegible], shall be and the same are hereby vested in the Board.

Sir,

With reference to the cancellation proceedings outstanding against your homestead entry, the South West quarter of Section 35, Township 75, Range 14, West of the 5th Meridian, I beg to inform you that a report has been received from a Homestead Inspector and in view of the evidence contained therein it would appear that your entry has stood for over five years and nothing has been done on the land in the way of settlement duties.

Under the circumstances, the Agent of Dominion Lands, Peace River, has been instructed to carry out cancellation at the expiration of the sixty days allowed, provided he is aware of no reason to the contrary, notwithstanding that the winter protection may then be in force.

I might add that in the event of cancellation being carried out you could not at a later date claim any concessions under the winter protection.
